Dom Pedro Hotels & Golf Collection®

PORTUGAL - BRASIL

In the face of the new reality that is being experienced at a global level and in accordance with guidelines recommended by the responsible entities, the Group Dom Pedro Hotels & Golf Collection created an internal manual and implemented a set of procedures with all prevention and security measures, which aim to ensure the well-being of all.

All our employees have received support and training, being properly equipped with protective materials individual information so that the services provided maintain the level of professionalism appropriate to the defense of public health, thereby hoping to contribute to the prevention and containment of current situation.

With particular attention we are following the evolution of social situation, as well as new indications of the bodies public and official authorities, so that we always apply the best prevention practices.
